Dear Mr Lenga

On behalf of Team Brett we would like to express our gratitude for your very kind donation of **Satisfine Foods Hamper** to the value of **\$150** for the Brett Levien Sarcoma Cancer Foundation 2008 City2Surf.

We are proud that an incredible \$80,903 was raised by 45 runners, enabling us to fund a researcher next year to work towards finding a treatment for this devastating disease.

As you no doubt appreciate it is through generous donations such as these that we are able to continue raising funds until there is a cure for this dreadful cancer.

Again we thank you most sincerely for your donation.

Kind regards,

Gary and Lorraine Levien
