Introducing The Protein Bakery - New Zealand's Innovative Bakery

The Protein Bakery is a wholesale, health food manufacturing company which was established in 2005.

Since then the Protein Bakery has launched its growing product range to over 1500 retailers across New Zealand and exports to five countries around the world.

The Protein Bakery produces all of its own products through their purpose built factory in Wellington, New Zealand.

The Protein Bakery prides itself on the overall quality and nutritional benefits of its products. Using only the finest ingredients, and adhering to a strict HACCP based food and safety program, the Protein Bakery is renowned for its innovative and upper market style cookies.
